Quality Courses for Adult Racers and Eligible Junior Racers

The race format is FIS-style slalom, giant slalom, and super-G, set on the best terrain in the region.

Race At Your Level

Compete in classes based on ability and gender. Ability groups are also divided by age (Open, 40+, and 60+). A handicap system puts you within a few seconds of the other racers in your class. Coaches offer help to racers who would appreciate a helping hand.

If you have raced all your life, compete at a high level. If you have never run gates, or want to bring your racing skills to the next level, we have a spot for you.

www.maccracing.org

Where Do We Race?

We run top to bottom on the Super Bowl race area at Boyne Mountain (and some years at one weekend at Searchmont or Marquette), with permanent shacks at the start and finish, convenient parking, and a warming hut for hanging out and changing gear.

Are There Trophies and Prizes?

Beside awards for each of the 12 races, you accumulate World Cup points over the season. The season ends with a three-day weekend that includes a banquet on Saturday night where the season trophies are given out, along with prizes from our sponsors. (skis, boots, poles, clothing, season passes, etc.)

What Is MACC?

The Michigan Alpine Competition Council (MACC) organizes series of 12 Alpine ski races in Michigan and Ontario. We are a non-profit corporation organized by volunteer ski racers to run FIS style races for adults. Each MACC racer performs one job assignment during each race weekend.

Who Can Race?

Registered Adults: The program is open to any adult (18 or over) interested in recreational racing.

Registered Juniors: The program is open to junior racers aged 14-17 who have at least one parent registered in the MACC. (A parent or designated adult must be present when a junior racer competes.) **If you are a junior racer on a high school team, you must have your high school coach co-sign this form. It is possible that participation in the MACC races may affect the eligibility of your entire team to compete in regular and post-season high school races. Check with your coach.**

Guests: Any adult or eligible junior can race as a guest for \$10/day for two races. If you decide to join for the season, your guest fees are applied to the annual registration fee.
