CHAIRMAN'S COMMENTS:

- Review of votes required, majority for most issues, 2/3 majority for rule changes.
- New combination brochure / application distributed and available on the web site.
- Searchmont, the bank has taken ownership and intends to open for this season. The Ski Runners are still in place and willing to work with us on our race again.
- Vote: Change table on page 19 of the rules, make the handicap for SVD-M the same as that of D2-M. There was a good deal of discussion, not enough support for this proposal. Options to consider for the next meeting:
  - 1. The above proposal
  - 2. Eliminate D2-M Class
  - 3. Eliminate SVD-M and replace with SVD2-M
- Worker no-show, no-race policy. Can't race again (1-day allowance) until work assignments have been made up.
- See the web site for upgrade / downgrade list.
