Officers Reports:

President – Mike Jablonski

We had a pretty successful season, the numbers were down slightly. We had some new people, the Renegades. We are on the Boyne Web site. We have made proposals to Boyne on new timing shacks. Would also like to get the PA system run all the way up the hill. It was decided not to pursue running a race at Nubs and possibly ruining our relationship with Boyne.

Attendance at the awards banquet was 257 which was down slightly from last year.

Searchmont weekend has been moved from the 3rd to the 4th race, 18-20, Feb. Schedules are on the web. Searchmont will switch reservations to the race weekend.

Finances – Scott Tater

We have \$3000. Need to continue to bring in new people or we could suffer. Would like to see a leader board (with possible sponsor) on display at the hill.

Computers, Software & Results – Steve Coatney

Season was successful with new equipment. There was a reduction in racer reruns and timing delays. Displays are now working

Timing - Shawn Hughes

Web sign up for the timers should be implemented for next season.

Web Site & Rules – Mike Sayers

Attendance was up through the year. May have to change some classes.

There was a discussion with Gary Bloodworth on racer handicaps. Gary felt the handicaps should be changed.

Mike felt they were OK as they are. Wanted E-mails from people who got bumped with their complaints.

MACC rules are 28 pages. Mike would like to cut down to make more readable for the ordinary racer. The rules would contain only things important to the racers. Mandate from group to ahead and rewrite the rules.

Cary Adgate mentions us on his Boyne web site.

A motion made by Mike and seconded by Dave to keep the same bibs as last year. Passed unanimously.

Cantor cup will be a dual race format with two timed runs. Awards given on the total time

Race Workers – Jim Michon

Web sign-ups went well. There were some problems with chief of course. Need more consistency. One will not be asked to work next year. Would like to get bibs for chief of course and arm bands for maintenance personnel, so people know who they are.

Need to get the database to Dennis Parrott. Mike to send the database.

Awards & Sponsors – John Thomas

Wrote letter to all the sponsors thanking them.

Registration & Bibs – Ginnie Uhley

Not present; no report.

Course Setting – Bob Simpson

Need 2 new drills and bits. Motion made by Dan seconded by Craig to purchase new drills and bits.

Course Operations – Craig Mcleod

Looking for additional qualified people for chief of course and maintenance positions.

Publicity & Recruitment – Debbie Lewis-Koltaniak

Cary Adgate has said we can use his name to help promote MACC Racing.

Correspondence – Doug Fellman

Newsletter – Conston Taylor

1st newsletter will be paperless. Conston He asked for racing tips from some of the elite racers, but never got any. Gary said he meant to do one.

Old Business: None

New Business:

Mike Sayers nominated Mike Jablonski for MACC president for next year. Mike Serafinski seconded. Mike elected unanimously. Mike will be president for the 2004-2005 racing season. Mike appointed Kate Fitkin as his new vice President.

The meeting was adjourned at 9:43PM. Next meeting September 20, 2004

Respectfully submitted

Doug Fellman
