Officers Reports:

President – Mike Jablonski

Searchmont is a go for this year. Searchmont was going to call everyone with a reservation for lodging made last season to confirm. If you made a reservation for lodging and have not heard from Searchmont you should contact them. Don't know status of the super bowl reshaping; should know for next meeting.

Vice-President - Kate Fitkin

Preseason training: Paul Mooradian talked to Boyne about setting up some race training. Kate would like to set up a committee to outline the training we would like to have and present this to Boyne. If you are interested in being on this committee contact Kate. This needs to happen soon, as the season is fast approaching.

Finances – Scott Tater

We have received 45 to 50 registrations so far this year. They have been sent to Ginnie. Scott feels this is on a par with last year. Financially we look good. At present there are no outstanding invoices.

Computers, Software & Results – Steve Coatney

Not present. No report.

Timing - Shawn Hughes

Need to integrate the outside starters into his timing group. Trying to obtain a list of the outside starters. If you were one or know of any let Shawn know who they are, just make sure they are returning this year. Software is the same as last year so no problems are expected.

Web Site & Rules – Mike Sayers

Not present. No report.

Race Workers – Jim Michon

Dennis Parrott has been contacted and will help out again this year with the on-line registration. Some people have responded to the E-mail sent out for a list of last years outside starters. Make sure they are coming back this year before you pass the info along. Need new gatekeeper cards. Still have some of the old green cards left; will try to use up this season.

Awards & Sponsors – John Thomas

Started order for the beer / kool aid glasses that will be passed out as awards. Cost should be similar to last year. Question was asked on keeping Don Thomas logo. J.T. has not had contact with Summit Sports (the new owners), so he could not answer. He hopes to speak to them soon.

Registration & Bibs – Ginnie Uhley

Received 9 envelopes today, have not opened yet. Of those whose registrations we have received there are only 2 new racers so far.

Equipment – David Carrico

Not present. No report

Course Setting – Dan Costigan

Will be checking the gates this weekend. FIS has changed the distance between SL gates from 15 to 13 meters. We have in the past followed these guidelines. It is also beneficial to those racing in other programs such as Masters so they see the same courses. We may need more gates for our SL courses following these guidelines.

Course Operations – Craig McLeod

Not present. No report. Mike to contact Craig to coordinate the web sign up and other issues.

Publicity & Recruitment – Debi Lewis-Koltoniak

Applications have been updated and posted on the web. There is also a publicity poster on the web that can be printed and distributed. We will be repeating the membership contest from last year. Need to decide the rules for the contest. We also need to keep track of who signed up new racers and how many. There was some discussion as to what the rules were last year.

Things to do or in process: get new posters to Ed Grice at Boyne, update banner, get flyers to Scott Hall, and develop announcer guidelines and process for selection.

Correspondence – Doug Fellman

Newsletter – Conston Taylor

Will put info on the Membership contest into the next newsletter.
