Officers Reports:

President – Mike Jablonski

The first race weekend came off well. We had a large group in the qualifier. The integration of the new team of racers GSPS went smoothly.

The Sound system for the award ceremony in the Snowflake was poor. Boyne has been requested to get a better one. The awards this weekend will be in the Civic Center, because of the sound system and they have another large group of people scheduled in the Snowflake.

No fines were assessed for late sign up for work assignments. This was good, no one was late signing up which was the objective of the fine.

High point of the weekend was the Ginnie, Kathy, Sarah, and Jackie party. It was well-attended (about 90 racers), with good food, good booze, good friends; you just can't beat that. Excellent party, thanks ladies; we look forward to next year.

Searchmont should have their program ready in the next few days for Mike to review and publicize.

Vice-President - Kate Fitkin

For right now, we have a full crew of announcers. Mike Hietbrink will continue as the awards announcer.

Finances – Scott Tater

Scott reported that we had \$14,500 in our account. The awards check for \$3150 has been sent out. If anyone has any outstanding bills, get them to Scott.

Computers, Software & Results – Steve Coatney

First race weekend went well. Timers did a good job. Good feedback on some issues. There were some corrections that had to be made. The timing equipment was left in the south timing shack between race weekends.

Question came up concerning a DQ if you lost a ski at the end of the course. At what point were you disqualified? According to rule 4.1.3, you can lose a ski after the last gate and not be DQ.

Mick asked about locking up timing shack at the end of the day. It is ok to lock the shack when you see timers gone. Leave the computer on in the shack on Sat night. Fold monitors down and put big monitor on floor.

Jim Hoppenrath has volunteered to help out Steve Coatney with computer set up and take down.

Timing - Shawn Hughes

Not present; no report.

Web Site & Rules – Mike Sayers

We are all set with the rules. Web site is up to date. Craig's info is up on the web. Steve Anderson downgraded from Vet E2 to Vet A. We had 195 racers on Sat and 185 on Sun. Distribution was: Course 1 – 40, Course 2 – 45, Course 3 – 45, Course 4 – 40, Course 5 – 20

Race Workers – Jim Michon

E-mailed a list of people who didn't work last weekend. There were ten names on the list, corrections were made during the meeting and the list was down to 6 by the end of the night. Race reps are to check with their people regarding the others on the list. Some were new racers and it may just have been a matter of turning in their work card.

Awards & Sponsors – John Thomas

Not present. We are all set, as the remaining World Cup and Cantor Cup awards are on order.

Registration & Bibs – Ginnie Uhley

260 registered racers. List have been sent to the team reps. We had 4 guest racers the first weekend.

Not Present; no report.

Course Setting – Dan Costigan
