Officers Reports:

President – Denise Miller

B-netting was approved ~\$2000

Finances – Mike Heitbrink

We have just under \$6000. Need Scott and Denise to go to TCS Bank in Novi to get registered on the account.

Vice President - Scott Pyles

No updates. Tom Halsey and Kermit Anderson will be taking over the course setting operations.

Registration & Bibs – Ginnie Uhley

27 racers are registered. Notice sent to Race Reps on who has registered from their team. Applications on Web are not correct. Single page app has no costs on it. The way the question on if you need a new bib is worded is confusing people and they are sending in money for a new bib that don't need to. Question on a 17 year old racer who signed up. One of the parents must be a member and one parent or designated adult must be on the hill. Ginnie will call and explain to them. Ginnie will come up with a system to keep track of the radios.

Computer Software & Results – Steve Coatney

Not present. Will need key for software usually buys just before we need, because there is a time limit on how long it is good for. Will need to figure out how to handle the Masters Racers.

Timing - Shawn Hughes

Note out to last years timers. Always end up losing a few so we need to recruit more. We should be in good shape.

Web Site & Rules – Mike Sayers

Mike has been gone 3 weeks so is a little behind. Will be caught up shortly.

Race Workers – Bill Perlmutter:

Not present no report.

Awards & Sponsors – John Thomas

John needs decision on awards by next week. Denise asked question on cost if we split order. There is a \$50.00 set up cost each time, break point on quantity price is 500, and there would be shipping cost for each order. Denise and Mike to get

together to decide on a quantity and let John know. Schumachers has not come around yet, but John has not given up on them. Nichols will supply the panels, would like to get from Reliable Racing less expensive. Some discussion on where to get panels, Reliable is OK. Dave Samalik will do silk screening.

Equipment – David Carrico

Not present, Mick reported that Dave spent \$100.00 for batteries. He would like to get a spare timer. Will check cost and get with Denise.

Course Setting – Tom Halsey & Hermit Anderson:

Have ordered brush gates. Mike Jablonski reported he had some gates from the Tbirds that he would turn over to the MACC. These are the old screw in gates, but can be converted to brush gates. Would like to convert all our gates to brush gates ASAP. There was some question raised about Boyne using our equipment without asking for permission. Lock and hasp have been broken off in the past on the start shack where we keep our equipment. Need to check on getting a new lock and talking to Boyne.

Course Operations – Craig McLeod & Ted Jablonski

Need to do a little more work on the cheat sheets to bring them up to date. E-mail will be going out to all last years crew to see who will be back. Need to get the on line confirmation system working better so we can confirm who will be there to work.

Ted: Washed the bibs from last year. We have 17 COC armbands, 22 maintenance and 22 clipboards. Ted is in the process of making new and improved “ bib mannequin” to hold the gatekeeper bibs.

Communications – Debi Koltoniak & Kelly Gwinnell

Single page application has been corrected. Sue Holmes will have a sample of the logo wear the first weekend. Kelly is getting in touch with area ski clubs to make them aware of our program. She is also getting our race info to the local papers to post on their community calendars. Masters Racers info is posted on the web and Bill Skinner will put us in his newsletter. Gary anticipates 20 masters racers ~10 from outside MACC
