This meeting was held to discuss the adoption of a High School Team Category in 2014. Sue Holmes started the meeting by mentioning that HSSA had voted 11-0 to stop having sanctioned CUSSA races next year. She then went over what had been discussed last meeting.

What has been proposed is that we add a High School team Category to our current classes. This would allow HS racers down to age 14 race in this class on one of the courses.

There was a lot of discussion on several subjects age, who signs liability waiver, fee, which course, do we allow skiers who are not HS racers run in this class.

Who signs the liability was not definitely decided. Parents or coach or parents and coach were discussed. This could be a onetime waiver for season.

Fees: Guest racer fees were proposed (No work assignment). Letting them pay a fee for the season (work assignment?).

The course for this class to race on pretty much ended up on course 3. 1 and 2 were deemed too full to add another class and some felt the racers on course 4 might feel intimidated by the HS racers.

How many do we allow? No decision was made

Before anything happens there has to be a written proposal for the rule change. Two rule changes are required one for HS class and one for 14 years old. Sue Holmes will spear head this and get it out to everyone in an E-mail so it can be voted on next meeting.

Mick made a suggestion not to allow anyone to join after the 3<sup>rd</sup> weekend. Last year some racers joined just before Marks weekend and had an effect on the final outcome of the results. Mick feels a person should establish a handicap before the final race weekend. Mick will write a proposal for next meeting.

Bill Perimutter could use a few more nominations for his scholarship award.

The meeting was adjourned 9:25 PM
