Course Setting – Kermit Anderson/Thom Halsey: Course crew all set for AC/DC weekend.

Equipment - Dave Carrico: not present no report.

Computers, software & Results – Steve Coatney: No complaint on results, Mike S made motion to accept results Steve 2nd no objections results are final. Team results are not correct, not sure I understand why, but who knows what goes on in Steve’s world. He will take care of the problem and they will be correct by next weekend. Steve purchased 2 new printers under \$100.

Timing – Shawn Hughes: Not present no report. Steve brought up one issue and that was we were short of timers last race weekend and Steve had to sit in several times. We had no Shawn no Chuck Trewin and Chuck White got hurt. Need to make sure we have enough timers, Steve and Scott to contact Shawn. Someone brought up to train the announcers to be back up timers and Kate mentioned that Shawn was already exploring that possibility.

Course Operations – Ted Jablonski/Gary Bloodworth: Still need to collect \$40.00 for Smug Mug. Ted sends out E-mail after the meeting and depending on the response he knows how he will be for the weekend.

Web Site & rules - Mike Sayers: Mike had nothing quite unusual. If you have anything to post send it to Mike.

Race Workers – Bill Perlmutter: Bill was not present no report. Steve passed along the course worker info. Scott commented that blocking out the jobs on course 3&4 forcing people to sign up for course 1&2 was helpful.
