President – Scott Pyles: The first race weekend has been cancelled. There is not enough snow and Boyne is not going to get around to making snow on Superbowl till this coming weekend January 8-9. They are working on North Boyne and there may be a chance for training. As for making up the lost race weekend we can look at a possible Friday race or maybe make it up at the end of the season. Searchmont is opening Friday and they are looking at several weeks of cold weather to make snow and say they will be ready for us.

Awards have been received and some were broken as usual. Only ordered awards for 3 races will order more as needed.

Looking at the number of racers that have signed up and splitting them into the 3 courses it comes out fairly even at 41 on course 1, 39 on course 2, and 38 on course 3
