B – Netting is in the lower room of the Othmar. Searchmont race is on they have been getting snow. Scott is to follow up with them on schedule.

Equipment – David Carrico: All set, had to purchase new batteries minor expense.

Computers & Results: - Steve Coatney: Steve will be up Thursday evening and check things out Friday, should be ready to go.

Timing & Announcers – Shawn Hughes: Have 2 extra timers so should be good. Announcers all set. Scott will have a new cheat sheet of sponsors for the announcers.

Course Operations – Ted Jablonski/Gary Bloodworth: Seven people for COCs 8 people for outside starters will be in contact with them this week, just have to make sure they aren’t scheduled to work the course they are racing on. All set with the qualifier. Will use the course that is set and start them part way down the hill.

Web Site & Rules – Mike Sayers: Schedule is on the web. No new rule changes. Mike was asked about Pacesetter schedule. He will have out this week.

Race Workers – Bill Perlmutter: Not present Dennis Parrot filled in. Sign up is up and running. Question was raised now that we are only running 3 courses if we have extra workers where should we utilize them. Suggestion was made by Kermit to use them as course maintenance. Ted interjected that he likes to get a core group of maintenance people and use them all year on the same courses. They get to know their job requirements better. COCs can pull workers and put on maintenance if they have too many.

Communication & Publicity – Debi Lewis-Koltoniak: E-newsletter will have info on 3 courses, GS on Saturday, Slalom on Sunday, bibs exchange, etc. MACC has been invited to set up a table to advertise our racing program at the Magic Bag Theater in Ferndale. The occasion is the showing of the movie Streif: One Hell Of A Ride. It is a movie about ski racing. MACC has 10 tickets to give away at the awards on Saturday.
